## QA MANUAL TESTER

Timisoara,Romania | roxanawambach@gmail.com | 0764582515

### SUMMARY

I am an entry-level QA Manual Tester with a strong interest in software testing and quality assurance. My skills include manual testing and i am familiar with tools such as TestRail, Trello, Jira, Postman, SQL Database. I am committed to learning and staying updated with the latest QA tools and practices to deliver reliable and efficient software solutions.

TECHNICAL SKILLS		SOFT SKILLS
Jira	SQL Database	Time management
Trello	TestRail	Teamwork
Postman	VSCode	Adaptability

### PERSONAL PROJECTS

#### GoIT Personal Project

- I was the team leader in the final project of the QA Manual Tester course.
- Complete testing of an application-organizing the team for efficient testing.
- Presentation of the final project together with the personally completed test report., test cases and bug reports.
- Using 3 different devices for testing (phone, desktop, tablet).
- Using various testing technologies such as functional testing, smoke testing etc.

#### GoIT HTML/CSS Marathon

- Creating a CV website using VSCode.
- Discover in practice how markup language and styles work on the example of a small website.
